

LEADING MEDICARE GENERAL AGENCIES - MEDIGAP AGENCY DIRECTORY

Directory of Leading General Agencies

The Association is proud to list the following agencies supporting insurance agents looking to market and sell Medicare Supplement as well as Medicare Advantage products. Please click on their banner ads or connect directly to learn more.

Add Your Listing to the Association's Online Directory

The number of people visiting the Association's website continues to grow.

That includes insurance agents seeking support, information and often appointments to market and sell Medicare insurance products.

To help agents identify FMOs (GAs), we created the online directory of Medicare Insurance Agencies.

There are two ways to add your agency's information to the directory.

DIRECT PAYMENT

Top 2 Positions	\$3,600 for 12 months (or \$300-per-month for partial year)
Next 3 Positions	\$2,400 for 12 months (or \$200-per-month for partial year)
Position 6 or Below	\$1,200 for 12 months (or \$100-per-month for partial year)

NON-PAYMENT OPTION

Agencies who promote the Association's **Find An Agent online directory** are eligible for a no-cost listing based on the number of agents who have added their listing within the prior 12 months.

Top 2 Positions	60 or more agents (no fee for listing for next calendar year)
Next 3 Positions	35 or more agents (no fee for listing for next calendar year)
